Under Secretary to the Government of India,

To

Census.

Simla, the 3rd May 1910.

SIR,

I AM directed to communicate the following observations on the subject of the duty of Government servants in connection with the decennial census to be held in 1911.

2. It is an accepted principle that all Government servants are bound to assist in the work of taking the census, when called upon to do so by the census officers. The Government of India recognize, however, that special reasons may exist for exempting particular officials or classes of officials from this obligation, as for instance, those who will be on duty on the night of the census; while the services of others can probably be utilized only to a limited extent varying according to circumstances. It will be necessary in certain cases that orders should be issued defining the obligations of all the officials concerned.

3. I am accordingly to request that the attention of all Heads of Departments may be drawn to the principle above explained, with a view to the issue by them of suitable orders to the officials serving under them.

I have the honour to be,

SIR,

Your most obedient servant,

I. G. LLOYD,

Under Secretary to the Government of India.

Bangalore.

SIR, ([illegible] Deputy Commissioner [illegible] Fort.

Adverting to your docket No.Fl.6172/Cen.19-09-2, dated 25th June 1910, forwarding copy of letter No.118-129, dated 3rd May 1910, from the Under Secretary to the Government of India (Home Department) on the subject of the duty of Government servants in connection with the ensuing Census, I have the honor to invite reference to Paras 2 and 3 of the Notification No.6193-His. 1348 dated 2nd November 1900 and also to Government Proceedings No. 9108-47-His.1977 dated 17th January 1901 issued by the Government on the last occasion. It seems to me that the directions contained in the foregoing orders may now be again issued.

2. In this connection, I beg to submit herewith for -- orders, copy of docket No.2803 dated 3rd June 1910 from the President, Bangalore City Municipal Commission to the Deputy Commissioner, Bangalore, (received with the latter's docket No.C-1, dated 2nd/4th July 1910) stating that the requisitions to the several Officers in the City for lists of Officials available for Census work of the Bangalore City have not been complied with on the plea that no officials could be spared and that the Secretary to the Government has replied that the requisition may be renewed in -- January next. It will be too late to make the requisition in ---- January 1911 and the Census work cannot well be conducted without

the

the cooperation of officials of other Departments. The Imperial Census Code directs that all Enumerators and Supervisors should be appointed by September, so that they may take up the tread of work in sufficient time to be well posted in all the details of the respective duties. I would therefore request that the Heads of Departments may be at once requested to comply with the requisitions of the Deputy Commissioner.

I have the honor to be,

Sir,

Your most obedient servant,

Census Superintendent.

Docket No. 2803, dated 3rd June 1910, from the President, Municipal Commission, Bangalore City, to the Deputy Commissioner, Bangalore District.

&&&&&&&&&&&&&

His No. R 2774 dated the 30th ultimo, re Census Operations in the City.

Has the honour to state that the Heads of all public Offices in the City were requested as usual to furnish this Office with the lists of Officials that may be spared for Census work in the respective Offices. Replies have been received from more than half the number of offices stating that the officials thereof cannot be spared for the said work. The General and Revenue Secretary to Government has stated that the requisition may be renewed in January 1911. Replies from the remaining few offices are still awaited.

Under these circumstances, the statistics called for cannot be furnished for the present. From the replies received up to dated from the different offices, it seems the required number of supervisors and enumerators cannot be manned from the Government Officials.
